Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The Examiner called the Office of Attorney of record and left a message on their voicemail system regarding the current status of the Instant Application. However, the Examiner's inquiry has not been answered thus far. Since there has been no recent activity on this case for over six months after the final office action on the merits was issued, the Examiner has now decided to abandon the Instant Application for failure to timely respond to the last office action under 37 CFR 1.134 and 1.135.
